What is the solution for can you escape tower Level 12 ? We try our best to resolve the answer manually and work in the answer here, right now the best answer we've found for this is Collect an apple and a candle from the desk on the right. Lift the candle from the middle and use it to reveal the hole of the tree. Collect a panel from within. Now feed the apple on the plant on the left and collect a stick. Now place the panel and hold on to the stand on the left. The panel shows 8.30 by following the shade. Now tap the box on top of the desktop and set it to 8.30. Collect scissors and cut those vines along the table. Play the puzzle, answers in the picture. Now check the fountain and you can collect a key from there. Use that key to open and pass the hatch.
